

What's New?

April 5, 2021

Howdy Pards and Pardettes,

It's ALMOST time for the Nebraska Territorial Rangers to get back into action!

We missed everyone due to the cancelation of the banquet. BUT....we have reserved banquet space for January 2022! In the meantime, we held our annual membership meeting on Sunday, January 31st via ZOOM teleconference. Club business had to keep moving, pandemic or not!

Here are some of the highlights we discussed:

We will be pulling the name for the winner of the rifle raffle on our first shoot of the season, hopefully in April!

Membership has suggested that we hold the next banquet as an afternoon affair (such as a luncheon instead of a dinner). Please let your NTR board members know if you are supportive of this idea. The thought is that our members who travel from long distance would not have to return by driving at night with the hazards associated with that.

NTR has ceased arranging for lunch catering until such time as COVID relaxes its effect on attendance and by future interest of the shooters attending. Please bring your own lunch, NTR will provide bottled water for drinking. Many shooters have enjoyed finishing the stages each month at over an hour earlier to facilitate extra driving time and extra time left in the day to reorganize. We on the board certainly enjoy the extra time when putting the range to bed after a shoot.

Our new schedule is posted on the web site and we plan on a normal schedule. For the last two years we've had to cancel the April shoot due to bad weather so everyone please cross your fingers this year!!

If you have renewed your membership to NTR, YEEEE HAWWWW!
A BIG HATS OFF AND THANK YOU!!!

If you forgot to renew your membership, please download the form off the website or get in touch with Frilly Knickers. Or see Frilly at the April shoot. We sincerely appreciate your support and anything you can do to make our secretary/treasurer's job easier!!! Surly Bob (her husband) sincerely appreciates it!!

Anyone who wants to help at the Range, please do not hesitate to let Lenny (Spenerdy) know. Also, members are always invited to come to the range the Saturday before the shoot to help us prepare it for the shoot itself. And you are welcome to use the targets and facilities for practice at that time.

I've attached a copy of the membership renewal form. Please do not send cash in the mail, your cancelled check is your receipt. Please contact us if there are any questions.

We are going to have so much fun! You are not going to want to miss this year!!

Your Pard,

Surly Bob
Marshal, Nebraska Territorial Rangers
