

What's New?

August 29, 2019

Howdy Pards and Pardettes!

What a great turnout we had for the August shoot! Thanks, and Hat's Off to all our friends who showed up for a VERY NICE SHOOT DAY. We've sure been lucky on nice days this summer! Hope you all can join us for the September, two-day shoot. There is gonna be a lot of shootin' FUN!

ADDRESS CHANGE

Surly Bob and Frilly Knickers have moved their ranch and herded their cats further north. Still in Iowa, but quite a way's north of the range. Just means a little longer in the saddle. So, when sending things to Frilly, please take note.

2019 ANNUAL SHOOT – GUNFIRE IN THE HILLS UPDATE

We are all set to do the shoot! Please send in your form along with your normal monthly shooter's form so Frilly can put you on a list. It's great to see so many signing up for the WILD BUNCH match on Saturday. We plan to do four stages if we can fit it in before HIGH NOON. Saturday will be a day full of fun shooting. Heck, we might even talk Spenerdy and Li'l Buckaroo into setting up the dueling tree and the Texas Star for some fun arcade shooting. FRILLY'S CONSIGNMENT TRAILER will be on the range, so if you have any cowboy gear you want to sell on consignment, we will have tags and hangers, just tag, hang, and let the money roll in! When signing up, make sure you designate your lunches, etc. so we can get a head count!

RANGE NEWS

We spent some money and Spenerdy and the Wrecking Crew are working on more enclosures for the loading and unloading tables. With any luck, and good weather, these might be done before the Annual.

Please email or call Spenerdy or myself if you want to be on the work notification list. We will ALWAYS be working at the range the Saturday before every monthly shoot. And we try to pick a work day about two weekends later to set targets.

Much Obligated to those of you who wish to help keep our range open.

Your Pard,

Surly Bob
Marshal, Nebraska Territorial Rangers
